4.1.4 How To Apply For A Release

The student must submit a formal request for a release letter to international@jmc.edu.au along with:

- A copy of the offer letter from the new provider;
- A written statement outlining the reasons for transfer, or any other documentation supporting the application. Please note that additional documentation is required for a student under 18 years of age.

The request will be received by the International Student Support Officer who will ensure all necessary documentation has been provided by the student. The request will be proposed to the Director of International Services who will review and make the final decision.

JMC Academy will grant or refuse a request for a Release in accordance with the Department Home Affairs (DoHA) requirements and Standard 7 of the ESOS National Code.

The request to transfer will be considered by the Director of International Services and measured against:

- The details of the request
- Any supporting documentation submitted by the student
- Sections 4.2 and 4.3 above
- Any other compassionate or extenuating circumstances

Where the application for a release is approved:

- The Director of International Services will advise the student in writing within ten (10) working days, by letter or email, and the outcome of this decision will be recorded in the student management database
- The electronic Confirmation of Enrolment (eCoE) for student visa purposes will be cancelled, and the DoHA will be informed via PRISMS.

The student should contact the DoHA to seek advice on whether a new student visa is required. For more information on how the transfer and release affects the student visa, please visit the DoHA website.

Where the application for a release is not successful:

- The Director of International Services will advise the student in writing within ten (10) working days,
- The student may transfer to another provider after six months of study in their principal course. In advance of that, they may access the appeals processes below.
- Once all appeals processes have been exhausted, and if the provider's decision has been upheld, the outcome will be recorded in PRISMS.

4.2 PROCEDURE (INCOMING)

4.2.1 Assessment of student status

During the application process, students must identify previous or current study. Onshore applicants must provide a copy of their visa and, if on a student visa, a copy of all relevant CoEs. Further information and clarification is sought during the interview.

4.2.2 Transferring from another provider

Where a student is identified as being currently enrolled in an Australian provider and they have not completed at least six months of their principal course, applicants are advised to request a release from their current studies before they may be enrolled to JMC Academy. The student must produce a copy of a cancelled CoE from their principal course before a new CoE can be issued by JMC Academy.

Students are entitled to appeal against a refusal to permit a release by submitting a formal appeal within twenty (20) working days to:
