

Student Code of Conduct

PURPOSE

The JMC Academy Student Code of Conduct provides a framework for the standard of conduct expected of our students in respect to their academic conduct and personal behaviour.

JMC Academy aims to foster a creative, safe and diverse learning environment free from bullying, discrimination and harassment. Our campuses are where students can actively contribute to a positive and constructive campus life by maintaining high standards of behaviour. Students share the responsibility to maintain and promote JMC Academy as a safe, tolerant and harmonious environment in which to work and study.

- All on-campus activities,
- All off-site JMC Academy or student related activities related to study, such as performances, production projects, internships, international exchanges and field trips,
- The use of JMC Academy resources, networks, facilities and equipment regardless of whether accessed on or off campus.
