 - 4.1.1. JMC Academy's grading system will align with those conventionally used in the Australian Higher Education sector.

- 4.2. JMC Academy's grading system is used to:
 - 4.2.1. Qualify differences between assessment tasks submitted by students,
 - 4.2.2. Provide students with an indication of the standard they have personally achieved and will allow them to gauge the quality of their work in comparison to others,
 - 4.2.3. Help indicate the quality of student's work, both across entire courses of study and within specific units,
 - 4.2.4. Determine the relative rank of a student in comparison to other students from JMC Academy and to students who have been assessed in line with AQF guidelines.

- 4.3. Students will receive a:
 - 4.3.1. Grade for each assessment task they submit, complete or are otherwise credited for, within each unit for which they are enrolled, on or past Census Date.
 - 4.3.2. Final Grade for each unit for which they are enrolled on or past Census Date.

- 4.4. Assessment Grades
 - 4.4.1. Marks will be allocated to assessment tasks in a way that is consistent with achieving the learning outcomes of the unit and course, and final grades will reflect the level of individual student achievement.
 - 4.4.2. Students will receive a grade of HD, D, C, P, or F, or receive a percentage mark, or receive both for each assessment task they submit.
 - 4.4.3. A student will receive a:
 - HD grade for work of exceptional quality for all the learning outcomes,
 - D grade for work of high quality for all the learning outcomes,
 - C grade for work of high quality for some of the learning outcomes,

 - 4.4.4.1. The non-submission of an assessment task,
 - 4.4.4.2. An ineligible submission. An ineligible submission may be but is not limited to work:

- That is not accessible to be graded,
 - Which has been submitted after submission deadlines and/or any extension,
 - That was submitted when a student was not enrolled,
 - Which has previously been submitted for assessment in the same or another unit,
- 4.4.4.3. A plagiarised submission,
- 4.4.4.4. Usually, a submission that is more than five (5) days late,

4.5.2. Students will receive a final or an interim notation as per *Appendix 2 – Schedule of Notations*.

4.6. The final result for a completed unit will consist of:

4.6.1. Individual marks for each completed task assessment showing the final grade of each, and

4.6.2. A summed weighted result for all task assessments completed for the unit (and including any zero results).

4.7. Assessment grades and marks are awarded using JMC Academy's grading system by individual lecturers and must be entered into JMC Academy's internal marking system.

4.8. Calculation and compilation of final grades and marks is the responsibility of the appropriate Head of Department.

4.9. Final grades and marks and published to students in the Student Management System.

4.10. JMC Academy reserves the right to place certain sanctions against a student's academic record, resulting in unit grades being withheld, if a student has been deemed to have breached the Code of Conduct or has not completed compulsory training modules required by JMC Academy, in addition to their program of study.

4.11. Conceded Pass (Unit Only)

4.11.1. Students may be awarded a Conceded Pass by the Head of Department, where:

 - 4.12.5.3. Credit points of all units are summed up.
 - 4.12.5.4. The sum of resulting values obtained from multiplication of grade points and credit points for each unit is divided by the sum of all the credit points.

 - 4.13.4.1. Year level is one (1) for all units delivered by JMC Academy across all qualifications.
 - 4.13.4.2. Only marks from units completed at JMC Academy, with published grades, are taken into WAM calculations.
 - 4.13.4.3. Marks of repeated units are taken into WAM calculations.
 - 4.13.4.4. Marks of Fail and Withdrawn Fail grades are included in WAM calculations.

- 4.13.4.5. Marks of Conceded Pass grade are included in WAM calculation, without further conditions.
- 4.13.4.6. Marks of partially completed units are not included in WAM calculations.
- 4.13.5. Weighted Average Mark (WAM) – Calculation method
 - 4.13.5.1. As the assigned year level is one (1) for all units delivered by JMC Academy across all qualifications, it is excluded from calculations.
 - 4.13.5.2. Each unit mark is multiplied by the unit credit points and resulting values are summed up.
 - 4.13.5.3. Credit points of all units are summed up.
 - 4.13.5.4. The sum of resulting values obtained from the multiplication of unit marks and credit points for each unit is divided by the sum of all the credit points.
 - 4.13.5.5. WAM is rounded to TWO decimal places.

Appendix 1 – Schedule of Grades

Grades awarded use the same criteria at both the assessment task and unit level.

Code	Grade	Mark	Description
HD	High Distinction	85-100	An outstanding performance. Indicates that the student has produced work of outstanding quality, originality, or creativity, and has demonstrated a high level of understanding across all of the learning outcomes specified for the unit of study.
D	Distinction	75-84	A superior performance. Indicates that the student has demonstrated superior ability to consider all learning outcomes of the unit of study, demonstrating a sound grasp of content, together with efficient organisation and selectivity.
C	Credit	65-74	A good performance. Indicates that the student has demonstrated the ability to think analytically and displayed satisfactory achievement across all learning outcomes of the unit of study.
P	Pass	50-64	An acceptable performance. Indicates that the student has demonstrated work of acceptable quality and addressed all assessment requirements of the unit of study and has demonstrated an acceptable understanding of the issues entailed.
F	Fail	49 and below	Unsatisfactory performance. Indicates that the student has demonstrated work below the minimum expected level. This grade characterises work which shows a significant lack of understanding of the topic or its context.
CP	Conceded Pass	47-49	A marginally below acceptable performance. Indicates that the student has demonstrated work marginally below that normally required for a pass grade. CP may be granted when the overall performance was considered to warrant such a concession and allowed progression to another unit of study for which the former unit of study was a prerequisite.
