This is a statement of the Academy of Film, Theatre & Television's (AFTT) policy in relation to protecting the fees domestic & international students pay in advance for training.

AFTT complies with current Government regulations to ensure that domestic & international vocational education and training (VET) students will receive the training for which they have paid.

From 1 January 2018, interim tuition assurance arrangements have been in place. Under these arrangements, the Department of Education and Training (the department) is managing tuition assurance with the assistance of a third-party tuition assurance administrator.
