REFUND POLICY CONDITIONS AND PROCESSES

- JMC Academy reserves the right to cancel or postpone any courses prior to their scheduled commencement dates, should it be necessary. In such circumstances, if the course is postponed by more than four weeks, and if a student is unable to enrol in a similar course at JMC, all fees will be refunded.
- Where a visa has not been received in time to start the course, the student must contact JMC in writing and they will be offered another starting date without charge.
- Refund of the fees will only be granted in accordance with the refund policy set out below.

FULL FEE REFUND

JMC will make a full refund of course fees paid in the following circumstances:

- Application for a student visa is unsuccessful. In this case JMC reserves the right to retain the Registration Fee. A refund request in writing and proof of visa refusal from the Australian Government must be sent to JMC upon visa refusal. Then a full refund of fees paid will be made within 28 days.
- If for any reason JMC is unable to start delivery of the course on the agreed starting date, a full refund of all fees paid to JMC will be made within fourteen (14) days of the specified starting date.
- If written notice of withdrawal is received more than ten (10) weeks before the commencement date of the first course in the package of courses, all fees are refundable, less the \$150 Registration Fee.

PARTIAL FEE REFUND

JMC will make a partial refund of tuition fees in the following circumstances:

- If for any reason the Academy ceases to deliver the course before it is completed, a full refund of 'unused' course tuition fees paid in advance will be made. The calculation of 'unused fees' will be made in accordance with applicable ESOS regulations.
- If a student's visa expires whilst studying a package of courses and their application for an extension of visa is not granted by DOHA, all unused fees paid in advance for each and every course in the package of courses will be refunded. The calculation of unused fees will be made in accordance with applicable ESOS regulations.

- If written notice of withdrawal is received between four (4) and ten (10) weeks before the commencement date of the first course in the package of courses, 70% of fees will be refunded, less the \$150 Registration Fee.
- If written notice of withdrawal is received less than four (4) weeks before the commencement date of the first course in the package of courses, 40% of fees will be refunded, less the \$150 Registration Fee.

NO FEE REFUND

- If written notice of withdrawal is received from a student after the commencement date of the first course in the package of courses, no refund will be applicable.
- If a student's visa is cancelled due to their breach of international student visa conditions or the Academy Policies and Procedures or student misbehaviour after the commencement of the first course in the package of courses, no refund will be applicable.
- If a student is granted a deferment or temporary suspension of studies after the commencement of a package of courses and does not return or commence on the agreed date without the approval of the Academy, the student is deemed to have inactively withdrawn, their enrolment will be cancelled and no refund will apply.
- If a student is provisionally enrolled in a package of courses at the Academy subject to providing evidence of the required English language proficiency and fails to provide such evidence prior to commencement of the JMC course, the student will not be admitted and no refund will apply.
- Refunds for any monies received by JMC on behalf of the student for services other than tuition fees must be requested from the company delivering the service and will be subject to the respective company's refund policies.
