INCURSIONS AND EXCURSIONS

CREATIVE WORKSHOPS

JMC offers incursions and excursions for year 10 to 12 high school classes ranging from a one-hour taster to a three-hour deep dive, across disciplines such as music, film and television, design, animation, game and audio. It's a great opportunity for students to get hands-on, try something new and have fun.

CAMPUS TOURS

Bring your class in for a guided walk-through of a JMC campus. Tours run for 45 minutes and include:

- **Working studios**
- **Performance and rehearsal spaces**
- **Q&A with current creative students and teachers**

It's a great chance for students to see our facilities up close, and a strong addition to any career's excursion.
